

Diwali Lantern

Diwali - the festival of lights, signifies the victory of good over evil, and hope over despair. This Diwali get ready to dress up, light diyas, and decorate your home with a colourful lantern made by you!

You will need: Rangeela Tempera Colours, Fevicol 3D Outliner Glitter-Any shade, Fevistik, Sponge

- Paint the lantern with Rangeela Tempera color Gold and Red using a sponge or a brush.
- Cut the lantern from the sheet, and use scissors to cut fringes towards the end of lantern as per the markings given
- Paint the Diyas using Rangeela colors of your choice. Then cut the colored diyas from sheet and paste on the lantern using Fevistik (as shown in image)
- Fold the lantern as per given markings. You may now punch holes as marked, and insert decorative thread to hang the lantern.
- You can now decorate your lantern using Fevicol 3D outliner glitter colors.
