

Gift of Happiness

Gifts make us happy. And happiness is doubled when shared with someone. This year, make this colourful Christmas box yourself, decorate it and use it to gift someone. You can put a chocolate/ pen or anything you like in the box and give it to the needy, your parents, brother, sister or a friend. See the smile on their faces and feel the joy!

You will need: Rangeela Tempera Colours, Fevicol MR, Fevicyl 3D Outliner Non Sticky Glitter Gold 401/Silver 402

- Take Rangeela Tempera colours of your choice and paint the box template
- Outline the design using Fevicyl 3D Outliner Non Sticky Glitter Gold 401/ Silver 402
- Remove the template from the sheet as per punched outline given and stick the folds to form a proper box
- Stick the edges using Fevicol MR to make it into a box

Paint with Rangeela Tempera Colours, Use 3D Glitter and Fevicol
